

WHY CHOOSE NICE COVER SYSTEM & ACCESSORIES

FEATURES & BENEFITS

NICE Duct Systems provide an extremely safe and compact covering for line sets, control cables, and drain lines. Every component features a radiused design that provides greater strength to all sections and corners and reduces sharp turns that could kink the line set. The fit and finish of the covers are of the highest quality and provide a beautiful, professional look to any outdoor or indoor applications.

- **Easy installation** - Easy, fast snap-on installation
- **Durable** - Line set covers are strong, light and highly resistant to cracking, crushing and chipping
- **UV Retardant and temperature resistant** - Won't fade, crack or break down; even in extreme temperatures
- **Aesthetically pleasing** - NICE plastic covers are fully paintable to match any wall or siding color
